Fatal Accident From Bumper Fall

A fatal accident occurred yesterday as the result of the simple act of trying to get a car started by being pushed by another.

On Fisher Drive north of Aspen Place yesterday at 11:50 a.m., Joan Thurston Spear of Oliver Road was giving a neighborly push to the car belonging to Peter G. Baga, 64, who lived around the corner on Fisher Drive. Mr. Baga was standing on the rear bumper of his car being driven by his 16-year-old son, David Alex, when the car jerked when the clutch did not operate smoothly. Mr. Baga fell backwards into the road where he suffered head injuries which led to his death later. The Carmel Fire Department ambulance was summoned to take him to Community Hospital where he died at 5:15 p.m.

Art Museum Sponsors Fashion Show

Professional fashion models... a cheerful emcee... and beautiful clothing were the ingredients. They were poured gingerly into the magnificent Roos/Atkins clothing store in the Del Monte Shopping Center, and the result was a lovely grand opening and Champagne Fashion Show sponsored by the Monterey Peninsula Museum of Art, which is dedicated to the goal of building a Community Art Museum with classrooms for workshops and lectures—and greater facilities for exhibitions and storage for its permanent collection.

Roos/Atkins Manager Bob Brown, who came to the Peninsula from the Berkeley store, said that he was delighted that all 500 available tickets were sold by noon the day before the grand opening... and that all proceeds were going to benefit the Monterey Peninsula Museum of Art, which has its gallery on Lincoln Street in Carmel.

But it was hard to say which was more glamorous (Continued on page 16)

ANOTHER EXCITING LABOR DAY HOLIDAY IS SCHEDULED FOR THE PENINSULA in the forms of the annual Mercury Regatta at Stillwater Cove and the Equestrian Trials and Dressage at Pebble Beach. At bottom left are Redwood City residents skipper

Dick Thompson and crewman Jim Dickinson as they received their trophies from Mrs. Dorothea Veeder Condon and Mark Ruggett, Regatta Chairman. (A note of interest, Thompson won the Regatta even though he took time to rescue two fishermen from the ocean.) Shown at the lower right is Rear Adm. E. J. O'Donnell of the Naval Postgraduate School, and Mrs. A. G. Michaud, wife of the President of Del Monte Properties Company, presenting Dr. Nancy Telfer on Bedside Manners with a first place trophy. She was last year's winner of the intermediate division of the three-day event at Pebble Beach. Dr. Telfer will be on hand again this year to compete in the horse show.

"OLIVER" OPENS AT FOREST THEATER

Next Friday (Sept. 1st) will be opening night at Carmel's Forest Theater for the musical, "Oliver," adapted by Lionel Bart from the famous Charles Dickens novel, "Oliver Twist," and directed by Coie Weston.

The show, which includes a cast of 40 children and adults, will start at 8:15 p.m., and will play again the following two evenings, and Friday, Saturday, and Sunday nights of the succeeding weekend. Musical director for the production is Lollie Schwabe, who will also appear as piano accompanist for the play.

In the Dickens novel which is faithfully conveyed in the hit music drama, "Oliver," the orphaned Oliver Twist comes under the stern eye and the sterner surveillance of the parish workhouse master, Mr. Bumble, who later sells him, and his services, to the self-seeking funeral director, Mr. Sowerberry, for the sum of five pounds. Left to the less-than-tender mercies of the Sowerberrys, Oliver finally escapes and falls into the hands of a band of ruffians (The roles of Mr. and Mrs. Sowerberry are played and

Studio Schedules

Hit Show

The Studio Theatre-Res-taurant in Carmel will inaugurate its fall season on September 8 with the Neil Simon comedy "Barefoot In The Park." The show is scheduled to play Friday, Saturday and Sunday nights through the end of October.

"Barefoot In The Park" recently ended a Broadway run of nearly four years and has been widely played on tour. The New York critics gave it unanimous rave reviews for its release for amateur production drew a response unprecedented in the history of community theatre.

A veteran of the Phil Silvers, Sid Caesar and Garry Moore writing teams, Neil

Simon knows how to play all the situations for maximum laugh value. His talent was previously displayed in "Come Blow Your Horn," seen at the Studio a few seasons ago. He is also responsible for "The Odd Couple" which follows "Barefoot In The Park."

The forthcoming production is under the direction of Michael Keller with setting and lighting by Bob Evans, Jr.

PLANT FOODS

Plant foods in general contain less salt than do animal foods. That's why animals gain on grain rations or people who eat lots of vegetables need less salt than one's who eat a great deal of meat.

MOVIE GUIDE

GUIDE FOR THE MARRIED MAN is a farce-casting Robert Morse as tutor to would-be philanderer Walter Matthau. An enjoyable movie.

THE ST. VALENTINES DAY MASSACRE is a gangster movie depicting one of the most shocking events of America's lawless era, starring Jason Robars.

WOMAN TIMES SEVEN—Shirley MacLaine heads a big name cast in a story of passion, bloodshed, desire and death.

SAND PEBBLES—A movie of men in turmoil. Location is China featuring Steve McQueen as an engineer on an American Gunboat.

HAWAII—A very good cast including Julie Andrews, Max Von Sydow and Richard Harris enact the film version of James A. Michener's gripping epic.

Miss Baez, just returned from the Newport Festival, will sing and accompany herself on guitar. Her songs will be a mixture of old and new—traditional and contemporary folk songs.

The new songs on the lips of singers like Joan Baez contain some of our most beautiful poetry and melodies. The protest theme has largely given way to the themes of love, beauty and individuality.

Holiday Wedding Scheduled

A Christmas holiday wedding has been announced for Sharon (Sherri) Wilson to John William Wilson, by her parents, the Roderick Niel Wilsons of Carmel. John is the son of Mrs. George L. Wilson and her late husband, of Santa Maria, California.

Sherri's sister Nicki, Mrs. M. McMahan, flew out from New York last week to help celebrate the engagement and make plans for the small, family wedding. She and her husband, Michael, will be home for Christmas and will be John and Sherri's only attendants at the wedding.

A Carmel High School graduate, Sherri is a senior at the University of California at Berkeley. She has been recreation director for the Carmel School District this summer.

Born in Ecuador, South America, John attended the Orwell Park (prep) School in Suffolk, England, and is a 1967 graduate in Civil Engineering from the University of California at Berkeley. He is now employed as an engineer with the Fluor Corporation in Baton Rouge, after four years of active duty in the U.S. Navy.

The Kiwanis Radio Rodeo in which members delivered ads for local merchants was highly successful for a first effort. It cleared a goodly sum for the scholarship fund and the members had lots of fun at the La Playa Hotel from which ads were broadcast.

British Columbia Trip

Mrs. Wallace Foster, her daughter, Patricia Edgerton, and dog Flandy, of Flanders Drive, have returned from a motor trip up the coast to British Columbia.

While her home is occupied by summer visitors from Texas, Mrs. Foster will spend the month of September with Mrs. Edgerton who is a faculty member of Foothill College.

Beardsley Boy Fully Recovered

Tom Beardsley, one of the famous Beardsley children, who was accidentally shot in the chest recently while on a camping trip in Carmel Valley, is all right now. A gun leaning against a tree fell while he was rolling up his sleeping bag and he just happened to be in the way of the bullet.

Yosemite Film

A film on Yosemite National Park will be shown by a member of the Ventana Chapter of the Sierra Club at the regular Wednesday afternoon gatherings at the Carmel Foundation Town House on Lincoln at 8th. There will be two showings on August 30, at 1:30 and at 3 p.m. and tea will be served at 4 p.m.

The following week, **Communication, Man's Link with the World**, will be the subject of a talk by Dr. Gene England on Wednesday, September 6, at 3 p.m. Dr. England is the director of the Monterey Peninsula Speech and Hearing Clinic in Monterey. Tea will be served and all interested persons are welcome on both occasions.

Darlene Davis Weds Jonathon McCaman

An early evening wedding at St. Dunstan's Episcopal Church in Carmel Valley was the setting for the recent wedding of Darlene Davis and Jonathon McCaman, the Reverend James Brock officiating. Darlene is the daughter of Mr. and Mrs. John Davis of Carmel Valley and Jonathon, the son of Mr. and Mrs. LeEarl McCaman of Carmel.

The bride wore a floor length sheath of silk organza accented with Alencon lace.

Her gown had a Sabrina neckline with ring point sleeves and long chapel train, on which lace motifs embroidered with seed pearls and crystal beads were scattered. Her headpiece was a pill box of French lace embroidered with seed pearls, which held her French illusion veil.

Darlene's maid of honor was Renee Davis of South San Francisco, while her bridesmaids were Pamela Redhead, Nancy and Toni Deck of Carmel. They wore long empire gowns of moss green chiffon with floating panels over sheath silhouettes with velvet ribbon accents. Her little sister, Lori, was her flower girl.

Jonathon chose Tom Conklin of San Jose for his best man, with the bride's brother, Rick Davis and Skip Stathes of Carmel Valley, Larry Littlefield of Carmel, and Ruben Gomez of Visalia for his ushers.

A reception for friends and out-of-town guests, which included the bride's grandmother and father, Mr. and Mrs. Richard Show of Los Angeles was held at Neptune's Table where a champagne buffet was served. For this the bride's mother wore a mariner blue silk gown with rolled collar and long sleeves. The bridegroom's mother wore a long gown in Venetian rose with scoop neckline, and back floating panel.

Both Darlene and Jonathon attended Carmel High School and Monterey Peninsula College. After their honeymoon in Canada they will live in San Francisco while Jonathon attends Golden Gate College.

A recent study found that nearly two-thirds of 350 (fourth through seventh grades) Juvenile Court cases were low achieving students.

The ideal parental discipline is one in which firmness is blended with kindness. Firmness is demanded because young children need guidelines. Definite rules, which are gradually relaxed as the child grows older, give a needed sense of security.

Robert Wirtz, local math text-book author, has just completed a television series for KQED, one of the Nation's leading educational channels, in which he teaches a group of children how to do long division. Work sheets are provided them and such groups of children in the television audience as request them.

Volkswagon European Trip

Betty and Jerry Barron of Carmel Highlands have just returned from an exciting month in Europe in which they ran into the Ephraim Doners twice, once in a museum in Paris and later when they were changing planes in London.

The Barrons left on a Harvard Alumni charter flight and visited most of the countries in Europe. They were most enthusiastic about Salzburg, Austria where the musical festival was going on, and least enthusiastic about New Genoa, Italy where all their clothes were stolen, leaving Jerry with one shirt and Betty with two dresses.

Before returning they were able to get up to Dublin where a cousin drove them to the Glendalough lake region. Jerry, who is an indomitable Carmel Bay swimmer, got in a swim in the Irish Sea, just as cold as our own Pacific.

Staff Wives to Hold Coffee Hour

The Staff Wives Club of the U. S. Naval Postgraduate School will hold its annual membership tea on September 14, at 1:30 p.m. in the La Novia Room and Terrace. Kern Heads Residential Community Chest Drive

Emil Bouhaben, campaign chairman of the Monterey Peninsula Community Chest,

has announced that John A. Kern will be the chairman of the residential division for the next Community Chest campaign. Bouhaben reported an all out effort to conduct the drive in the residential areas in one evening.

The newly appointed chairman, Mr. Kern, in turn, appointed Mrs. Juanita Camp community chairman for the Monterey Peninsula Country Club area.

Mr. Kern has been associated with the Community Chest in recent years as a member of the board of directors and a member of the budget committee. He is a resident of Pebble Beach.

Mr. Stoddard P. Johnston has been named chairman of the Advance Gifts Division. A resident of Pebble Beach, Johnson is owner-manager of radio station KMBY, and has served as a member of the Chest's budget committee earlier this year.

With the appointment of Johnson, all posts in the Campaign Cabinet are filled. Other members are: Steven Sassoon, Chairman Business Division; Dr. George Thorngate Sr., Chairman, Professional Division.

Young Traveler

George Scott Silkworth, the new son in the George Silkworth family, Carmel, had the distinction to travel around the world, four months before he was born.

"Scott's" parents, Mr. and Mrs. George Silkworth, and his sister Wendy Rose, age 1½ made an around the world trip just five months before the baby's birth. The family toured the Orient, went on to Europe, and returned home a month before Scott's arrival.

Mrs. Thelma Silkworth, the infant's paternal grandmother, has been a recent visitor to the Peninsula from Oakland.

Additional Artists for Jazz Festival

Added to the lineup of artists performing in the Saturday afternoon, September 16, "Big Blues Bag" concert at the Tenth Annual Monterey Jazz Festival, are Muddy Waters and his Band and blues-folk singer, Richie Havens.

The three-day, five-concert Festival, September 15, 16, 17, is held each year on the Monterey County Fairgrounds.

Wears Many Hats

Dan Yurkovitch, Carmel school district administrative assistant, not only is in charge of sifting of personnel, but coordinates publicity, special projects in NDEA, and will supervise the two schools down the coast, Palo Colorado run by Nancy Bottero, and Captain Cooper in Big Sur run by George Selvig.

Rummage Sale

Last minute plans for a rummage sale the Saturday before Labor Day from 9 to 3 p.m. at Sunset Center in the old cafeteria were made at the last Kiwanis Club luncheon. Many of the items are new merchandise, perhaps in broken sizes or out of season, donated by merchants. For example there will be radios, plants and clothing at low prices. President Bob McIntyre announces that they are trying to build up a scholarship and youth fund for income purposes instead of using capital.

Potential Leadership

Four Carmel High students were chosen by the Carmel Red Cross for a youth development meeting at the University of California at Davis last week. Chosen because of their potential leadership qualities, Robert Kyttschbach, Dawn Powers, Dale Butler, and Suzanne Desjarlais will evaluate service projects of interest to youth.

Rolls-Royce and Bentley automobiles valued at approximately one million dollars were shown at the 16th Annual Meet of the Rolls-Royce Owners' Club, held in Monterey, August 17-20. Shown on the grounds of The Mark Thomas Inn is Peter M. Lind in his 1937 Rolls-Royce Sedan de Ville, with coach-work by Park Ward. Welcoming him to the meet is Graeme Mackenzie, general manager of The Mark Thomas Inn. Peter and Bonnie Lind, who have homes in Hillsborough and Carmel, are the third owners of this handsome car, which was first owned by Sir George Allan, personal solicitor to Edward VIII, who gave the car to Sir Allan in gratitude for his handling of the legal matters involved in the abdication.

An Escorted Musical Tour to London and Paris

By Dorothy Thorne

Several years ago, a group of four music lovers, sponsored by a local radio station, departed for London and Paris to enjoy the musical fare to be found there.

We left the San Francisco airport via United Air Lines to New York arriving five hours later. After breakfast we took off on a Pan American jet for London; there were 161 people aboard. We flew all day in bright sunshine over the clouds and climbed to 33,000 feet.

Arriving in London after dark, a tired lot we were by 10:30 p.m. at the Park Lane Hotel. Bed never looked so good.

The following day we joined the Evans Tours for a look at London. We saw the British Museum; Buckingham Palace, where we watched the changing of the guard; the St. James Palace; and Westminster Abbey, where one could spend days just looking. At night we went to Simpson's restaurant which was good but highly over rated.

The next day was Sunday and it was the highlight of our tour. We boarded an early bus for a tour of Shakespeare country where truly beautiful scenery greeted us on every side. Anne Hathaway's 12-room house, we found so very interesting we were loath to leave. The gardens were a joy to behold and reminiscent of our own Monterey Peninsula gardens. The birthplace of Shakespeare was next, then a glimpse of Oxford and Eton Colleges.

After luncheon, where I had my first Yorkshire pudding (ugh!) we journeyed to Warwick Castle, a marvelous place full of the 14th century. It was surrounded by a moat and within was a collection of paintings by celebrated artists which closely rival those of Hearst Castle. There was even a ghost room very eerie.

Tuesday following, after a shopping spree at Herrod's Department Store, we boarded another bus, this time to the Tower of London, with crown jewels, the executioner's yard and scaffold, which was horrible to contemplate! We briefly saw St. Paul's and the "Old Curiosity Shop." This shop so intrigued me that I was the last one to board the bus. The lady guide told me "Since you are the last one, you should stand drinks all around." Thoroughly confused I agreed, but fortunately for me, it was past 5:30 p.m. and we heard no more of that, much to my infinite relief!

The following day, I took off for an "Antique Show" in Chelsea Town Hall which proved very interesting though somewhat expensive. Later we heard the London Symphony. That was the night we decided to walk but it was a longer walk than we anticipated! We encountered opposition on the side-walks, the natives seemed to resent us, so we took to the streets! I was amazed to see so many poor folks sleeping on the sidewalks and over steam vents.

The last day we toured Windsor Castle on a cold day. We had a long hike to reach it and after a short visit we found a tea house where we enjoyed crumpets. They never heard of a sandwich apparently, for when we asked for one, we received blank stares!

We arrived early in a dense fog at the airport on our departure date. All flights were cancelled and fares refunded so we decided to take a boat-train to Paris. We boarded the over-crowded boat at Folkestone and reached Calais where we changed to a crowded train. At long last we reached our hotel "Le Grand," too tired to even think of supper!

The weather was cold and damp; however, we toured these historical sites: the Sorbonne (very drab), Notre Dame, Place deConcord and Avenue Triumph. The only nice day we spent was at Versailles, a wonderful experience. We saw two operas: "The Barber of Seville," and "Faust," a ballet.

On our last day in Paris, we tried to do some shopping. I found the "Maisonette," their largest department store and got myself thoroughly lost. But, fortunately I was able to make my destination known.

The day we left for the good old USA there were no reservations for us so we waited in the airport until they could find us a spot on a non-stop flight to New York. At long last we were on our way and reached New York that night.

We were so glad to be home, and the next morning I was placed on a plane for San Francisco where my daughter met me. It was a delightful trip... one I shall always treasure.

All Saints' Day School Starts Third Year

Starting its third year in Carmel Valley, the All Saints (Bishop Kip-Episcopal) Day School will have a full enrollment of some 110 students in grades 1-6, plus kindergarten, under the supervision of dedicated Headmaster, Fr. Peter Farmer.

Located just eight minutes from the mouth of the valley on Carmel Valley Road, the school will include bus service this year, covering the entire Monterey region.

The school features small classes, with a Christian influence, for students of exceptional ability. A scholarship program reflects all areas of community life. A majority of the families do not belong to All Saints' Church, the school being dedicated to community "out-reach."

Now in a building program fund drive, plans call for a new Chapel, a common room, and classroom facilities to be built this fall. It has recently received a grant from the Bing Crosby Youth Fund to expand the athletic field which is frequently used by the community for outdoor functions.

Stevenson School Starts 16th Year In Pebble Beach

Under the direction and guidance of founder, President and Headmaster, Robert U. Ricklefs, the Robert Louis Stevenson Prep school in Pebble Beach is starting its 16th year as a private, independent boys high school.

Long noted for an unusual English program titled "Thinking and Writing" that has received national recognition by English authorities, the school has recently added a strong Economics program to supplement math, science, language and history. All courses taught are required pre-college, plus public speaking and typing.

Enrollment for next year will include some 75 day boys coming from as far away as Salinas, with 200 resident scholars coming from Hong Kong, South America, Europe and most sections of the United States.

It has a heavy extra-curricular program including art (with an artist-in-residence), forensics, chess, drama, music, journalism, radio and bridge clubs. An extensive sports program offers 16 competitive events throughout the year.

The campus has some 40 buildings including 7 resident halls and 5 faculty homes. Among the buildings is the Erdman Memorial Chapel, cited in 1965 by the A.I.A. with a "First Honors" award. New plans call for construction of the Samuel F. B. Morse Fine Arts Building, a library, a science building and an administrative-classroom building.

The staff includes some 45 full-time teachers plus several part-time, to give a student-faculty ratio of 11-1. The school is a member of the State and National Association of Independent Schools.

Placement Tests To Be Held September 2

Placement tests required of all day students planning to enter Monterey Peninsula College in the fall will be given September 2 (Saturday), 8 a.m. to 12:30 in the MPC library lecture hall, Dr. Jack Bessire, dean of student personnel, has announced.

The tests, covering scholastic aptitude, English proficiency and mathematical ability, are used for placement and counseling purposes.

Evening students planning to work toward degrees should take the tests as well.

One of the prime factors that contribute to plant failure is improper watering. We know that all plants need water to survive, but how much and how often? The complete gardener takes weather conditions into consideration to determine this. He knows that windy weather and hot weather require more moisture than calm and cool days. He realizes that a saturated soil leaves no pore space for air. He is aware that shallow watering means a shallow root system. So the obvious answer can be likened to a person's drinking pattern. Supply it only when needed.

The amount of moisture required for any given soil depends entirely upon that soil's ability to hold it. The topsoil absorbs the first water that's applied. Then, when saturated, it allows any excess to pass downward into the subsoil. This factor makes the condition of the soil all-important. The growth and health of plants is affected to a great degree by the pore space of the soils in which they live. To achieve the proper tilth physical conditioners are added, either to increase the moisture-holding capacity of sandy soils or to separate tight, clay soils. The desired product is known as "loam," specifically 25% clay, 30% sand and 45% silt. A good soil should contain a minimum of two percent organic matter.

We find a common practice of making water basins around the trunks of trees when they are planted. This is good, in the beginning. But as the tree grows we want the roots to spread out. If the basin is not enlarged from year to year, root growth will be restricted to the area immediately surrounding the trunk, where the moisture is. If watering is shallow, the root system will be shallow. To regulate the moisture-holding capacity of any soil a calcined (baked) clay can be added in granular form. When properly mixed with the soil this allows a better circulation of air and water, and prevents packing. In established lawns, where runoff persists, the soil should be aerified and the holes filled with this material. In other areas the calcined clay, known as surface, can be spaded, rototilled, or raked in. The results are permanent.

Where the organic matter is low, as in most sandy soils, composted fir bark soil conditioner can be incorporated. September is a good time to start improving your soil. Look ahead to spring and set the stage now.

MEDICARE

Q. What is to prevent me from staying in the nursing home the full 100 days for which Medicare pays. As long as I can pay my \$5 a day toward the bill for the last 80 days, does it matter how long I stay?

A. Your stay in the nursing home would be covered under Medicare only as long as your doctor determined that it is medically necessary—that your condition requires (Continued on Page 10)

and those planning to take evening courses requiring English proficiency may take the English portion of the examination on the aforementioned date or on Wednesday, September 6, 8 to 9:30 p.m.

From A Librarian's Notebook

By Ruth Galvin Thornburg, City Librarian

This week the column will be Janus-faced, looking in both directions at the same time.

First, let me recommend to you **FIVE SMOOTH STONES** by Ann Fairbairn. It has a waiting list. Get on

the list and wait. We have had the book for several weeks, but this is when my name came on the list. This is the realist book you will read for many a long month, maybe a year. This is the story of David Champlin, a Negro boy in New Orleans, his family, his friends, his life. Because of his intelligence, and fortuitous circumstances, he was able to attend a college in the midwest, later Harvard Law School, and after that Oxford University. He was offered a post working for the Department of State, serving in a small but important African nation, but he declined the offer to go back to the South and work for his own people. David's story is a tragic story. If you identify with it as I did, you may weep at one time and want to shake him at another, but you will not pass over it all lightly. It's too real for that.

Now let's turn our other face and look forward to books now on order but not yet here. These you may also fill out a reservation card for if they sound interesting to you. Suppose you are the type who likes an old-fashioned love story, a wholesome book. Here is one for you. It is called **THE MAD-RAS-TYPE JACKET** and it was written by Evelyn Hawes. It is the account of a young girl and her freshman year in college. She fell in love, just as we all did during our freshman years. By the end of the book her fellow has kissed her once. Enough said. But the thing is, it's wholesome.

Could you stand another wholesome one? This one is called **HANGER STOUT AWAKE!!!** It was written by Jack Matthews. "Hanger Stout was a filling station mechanic who took a dare that he could not hang by his hands from the grease rack for two minutes. He won the dare and earned his nickname. From then on, he hung for longer and longer periods and won more money. The thing that makes the book charming is the homey, naive people who inhabit it. Real people, the review said, a 'delightful notion of a book.'

Heidi, Come Home!

Heidi is really no different from any other dog her age she sniffs around the house for stale and new smells... performs protective tasks around the house (like running off the raccoons at night)... barks at the suspicious noises... and eats inexpensive dog food. She's just an ordinary dog living her life free of strife; but let a garbage man in her life and she follows him to town.

That's right. Almost every week when the garbage truck comes to her house and leaves, Heidi has the strange impulse to follow until she finds herself downtown. Just as regularly, she finds herself lost in town and never seems to remember her way home.

Normally, Heidi visits the Village Corner for breakfast and a few friendly pats on the head. Then she's off on her weekly adventure, browsing around the stores, stopping to visit with a friendly smelling person, and talking to her fellowmen.

But as morning drifts into

Then there is Robert Cole's **CHRISTOPHE, KING OF HAITI**. This is the life story of the first king of the New World, Henri Christophe of Haiti. He died by his own hand after ill health and a revolt of his troops made him think death his only alternative.

Shifting now to non-fiction, there is a new book about **THE MAYA WORLD** by Elizabeth Benson, who is an authority on Pre-Columbian Art. In this book she discusses the architecture, the clues to social structure, the religious symbols, the life of

"Should I go this way? NO! YES! Oh, well, some one will find me and call home."

the afternoon, Heidi begins to worry. "I know I am downtown," she thinks, "but which way is home?" Without fail she crosses a kind stranger who takes her tags in hand, reads them, and calls Eleanor Wallace at 624-8772. Some of Heidi's closer friends offer her a ride home in their car because they know there's a long hill for her to climb. They realize that the trip is a little steep for a short legged girl like herself.

the people, the food they ate, everything. This is a small book with considerable information.

A book of presidential primaries is entitled **SPRINGBOARD TO THE WHITE HOUSE**. It was written by David James, and shows the underlying basic flaws in our electoral process. This book should be of great interest to politician watchers, and aren't we all?

For readers of popular psychology we are getting Lucy Freeman's new book entitled **THE MIND**. In it she describes fully 12 case histories which are little known. What she is trying to prove only Freud knows. But she writes continuously on these and kindred subjects, and her followers are many.

MAFeking by Brian Gardner is the story of the famous Boer War siege of that name, but it is also the story of Col. R. S. S. Baden-Powell, the founder of the

Boy Scout movement. Reviews say that reading this book will prick many a bubble in the reputation of the brave Colonel. "Be Prepared" he was not and the siege was disastrous at first because of his various mistakes.

A book which will be a must for all students of World War II was written by W. G. F. Jackson and entitled **THE BATTLE FOR ITALY**. This will be the definite book on the Italian campaign for a long time to come. It has maps, photographs, and an excellent index.

A new book which gives information on the life and duties of a policeman is most important now when newspapers are filled with stories of police brutality. The author is a former policeman and is at present a professor of sociology in an eastern university. This is a thoughtful view of the police side of the picture. It is called **BEHIND THE SHIELD** and it was written by Arthur Niederhoffer.

So much for a glimpse into the future! If any of these sound good to you, fill out a card and be the first to read it. But it will take a while for them to arrive, be catalogued, and made ready, so f'goodness sake don't start coming in and asking for them. **WAIT.**

Market Commentary

Dow Theory Business and Stock Market-Forecasts letter of August 25th, states "The Market was down again this week and the troubles we foresaw for after Labor Day are, apparently starting a little early; buy and hold stocks but keep your portfolio protected by a 25% reserve."

"Current irregularities add weight to our recent forecasts of possible troubles ahead and we believe clients should proceed cautiously. Continue to buy and hold stocks but spread your buying over the next 30 to 60 days and keep portfolios protected by a 25% reserve."

MEDICARE

(Continued from Pg. Seven) the kind of skilled nursing care that can be provided only in a nursing home. Also, your case would be reviewed periodically by a committee of doctors, a "Utilization Review Committee", which would determine the extent of your ailment and whether it could be treated at home. The results of this review, of course, be discussed with your physician. You don't have to worry about being rushed out of a hospital or extended care facility before it is medically advisable, but you cannot expect to stay longer than is required for your medical treatment. Services under Medicare must be restricted to situations in which treatment is necessary to avoid overcrowding and rave room for others who do need medical treatment and full-time skilled nursing care.

PARTY PLANS . . .

by Phyllis Jervey

Cooking should be a labor of love, but this Labor Day let's make it laborless. Usually this coming weekend is great fun, except for the homemaker. Although it brings the last of vacation entertaining, meals still have to be planned and shopped for, cooked and served to please ones family as well as guests, the latter often unexpected. There can be plenty of labor involved, but the hostess we admire most has a good sense of organization. A do-ahead, she writes out menus for all meals involved, makes up shopping lists as she goes along, and does as much advance food prepara-

tion as possible. She has the ability to turn out festive and delicious menus with ease and grace. In doing so, we find that she relies heavily on today's convenience foods for cooking short-cuts.

We are always on the lookout for recipes with a clever new twist like this pictured simple ground beef dish. Baked in an ordinary oven-proof mixing bowl, it is frosted high and handsome with instant mashed potatoes for a gala Baked Alaska Meat Loaf. The cooking short-cut? An envelope of onion soup mix is just what's needed for a scrumptious flavor.

Practice all the short-cuts you can devise. Introduce the al fresco patio (or indoor) party with a cold appetizer such as Tomato Cream Cooler or one of the following chilled soups.

Tomato Cream Cooler is easily made by combining 2/3 part tomato juice and 1/3 part yoghurt, season to taste with salt, freshly ground pepper and lemon juice. Stir and top with chopped chives. Serve very chilled in pretty cups.

Well-tested and found delicious is this elusively-flavored soup, planned for advance preparation and service on patio or indoors.

Spindrift Soup

One bunch watercress; 2 cucumbers; 3 envelopes instant chicken broth mix; 2 cups hot water; 1 pint, each, heavy cream and milk (or use undiluted canned evaporated milk); salt and white pepper to taste; 1/2 cup dry sherry.

Remove heavy stems from watercress; wash well. Pare, seed and cut up cucumbers. Dissolve broth mix in hot water. Puree watercress and cucumber in electric blender with 1/2 cup chicken broth. Add remaining broth, cream and milk. Season and add sherry. Chill. Makes 10 servings, but will keep several days in refrigerator.

For this special **Glorified Bean Soup**: In blender, combine 1 can condensed black bean soup with 1/4 tsp. curry powder and grated lemon rind, each; pour about 1/3 cup sherry into soup can, fill with water; add to blender mixture. Serve very cold, topped with a thin lime or lemon slice for each serving. Serves 4.

Baked Alaska Meat Loaf
One envelope onion soup mix; 2 eggs; 1/2 cup cat-sup; 3/4 cup warm water; 1 1/2 cups soft bread crumbs; 2 1/2 lbs. ground beef; 3 cups cooked mashed hot potatoes (use the instant kind); 1/4 cup

"Laborless Labor Day"

A laborless Labor Day means spending as little time as possible in the kitchen. What luck that we can cook and have fun at the same time by using convenience foods. The best proof is this elegant yet thrifty Baked Alaska Meat Loaf.

whole milk or evaporated milk; 1 egg, slightly beaten; 1 tbsp. prepared yellow mustard.

Preheat oven to 375 F. In 2-qt. ovenproof mixing bowl, combine onion soup mix, 2 eggs, catsup and water; add bread crumbs and meat, mixing well. Pack meat mixture in the bowl and bake 1 hour. Remove from oven. Thoroughly drain drippings (use for gravy if desired); invert meat loaf onto a jelly roll pan. Whip potatoes, milk, egg and mustard until light and fluffy. Spread potato mixture over entire meat loaf. In-

crease oven to 450 F. and bake about 15 minutes or until potato topping is golden. Serve on round heated platter; surround with cooked frozen, fresh or canned peas and lemon-glazed carrots. A salad of lettuce, tomatoes and green pepper rings is dressed with your favorite bottled dressing. Sesame bread sticks accompany the salad.

Walnut halves, dipped into melted butter and lightly heated then sprinkled with powdered sugar and cinnamon are eaten out-of-hand with polished red apples for dessert. All one really needs

to know about cooking nowadays is to read the labels!

RAY MARCH NAMED TENNIS PRO AT PEBBLE BEACH

Appointment of Ray March, 33, as tennis professional at the Beach Club, Pebble Beach, was announced by A. G. Michaud, president of Del Monte Properties Company.

March succeeds Don Leary, who has taken a similar position with the Palm Springs Tennis Club.

In announcing the appointment, Michaud said March would become head tennis

pro but would continue to assist in organizing special events at Pebble Beach.

For the last year and a half March has been assistant manager of the publicity and advertising department of Del Monte Properties Company.

Mr. Michaud said that this appointment is part of the Company's policy when vacancies occur to fill them from within the organization when possible.

March, a graduate of Carmel High School and ex-captain of the San Francisco State College tennis team, has been a tennis columnist and was an assistant tennis professional at Golden Gate Park.

He has tutored under well know tennis professional Tom Stow, formerly of the Berkeley Tennis Club, where he was offered a position, and he worked with the Jack Kramer tennis clinic in San Francisco.

While with the United States Army in Europe he was a touring member of the American Tennis Club, participating in international tournaments.

March resides in Carmel with his wife, Helga, and two daughters, Michelle, 7, and Melissa, 3.

OBITUARIES

Fred Bennett

Fred A. Bennett, who celebrated his 100th birthday last March at a family party in the home of his daughter and son-in-law, Mr. and Mrs. Robert B. (Pearle) Adams of Pebble Beach, died recently.

He was born in Michigan near Jackson where he was a 50 year member of Jackson Lodge, F & AM, and building contractor for 60 years until his retirement in 1936. His father, Thomas Bennett, was present at the first Republican convention in Jackson. His mother, born Lucinda Simmons, was a descendant of an early New England settler, who came to this country in 1639 from Thornbury, England.

For the next 20 years, he and his wife, Grace Deyo, whom he married in 1893, lived at the family summer home at Higgins Lake, Michigan. Then they came to Carmel in 1958 to be near their daughter and son-in-law.

Since Mrs. Bennett's death in 1960, he made his home with the Adams family. A grandson, Robert Bennett Adams, lives in Pacific Grove, as does his great-grandson, John Adams.

Graveside services were held in Jackson, Michigan, Paul Mortuary in charge of arrangements.

by Louise Cook

John Cunningham, Nell Walker Warner, Ann Rugh and Mary Agnes Lansdowne

are all represented at the Windblad Gallery on Union Street in San Francisco. The exhibit, a "Garden of Paintings," featuring floral works continues thru the middle of September.

Ornette Coleman Set for Monterey Jazz Festival

The Ornette Coleman Quartet has been added to the lineup of performers who will be appearing at the Tenth Annual Monterey Jazz Festival, September 15, 16, 17.

Coleman, the sometimes controversial musician-composer, who made his first appearance at the Monterey Jazz Festival in 1960, will perform with his group during the Sunday afternoon (17th) concert on the Monterey County Fairgrounds.

Bids will be opened in Sacramento September 6, 1967 by Division of Highways for highway improvements to State Route 1 in Monterey County.

The project will consist of channelization and installation of signal and lighting systems on Route 1 at its intersection with Carpenter Street near Carmel.

Of the \$87,000 available for the project, \$56,800 will be contributed by Monterey County.

UCSB Scholarships

Two Carmel area students, Marya K. McCombs, and Sterling G. Phillips, Jr., have been awarded scholarships to the University of California at Santa Barbara. A graduate of Carmel High School, Marya is the daughter of Mr. and Mrs. Clinton W. McCombs of Carmel Valley. Sterling is a graduate of Monterey Peninsula College and a Carmel resident.

Suicide Prevention Center Established

Loneliness, fear, a death in the family — these are causes which can precipitate a suicidal person into self-destruction. Who and what puts the brakes on suicide? The Suicide Prevention Center under the auspices of the Monterey County Association for Mental Health located on the Monterey Peninsula will attempt to show a would-be victim positive alternatives to self-destruction. This Center will provide a telephone switchboard and sympathetic listening ears. Volunteers to staff the switchboard are very much needed. If interested please call 624-7317 or 373-2860. Currently funds to underwrite the establishment of this center are being raised by the candy sale the Mental Health Association is now promoting.

Carmel Red Cross Asks for Donations

"Because of a nationwide shortage of blood which is reflected in supplies at our own blood center, and because the long Labor Day weekend is traditionally one of the worst periods of the year for serious traffic accidents, we are asking that everyone who is between 21 and 59 years of age, inclusive, and in good health, make every effort to donate blood at the Carmel Red Cross tomorrow," Russell M. Pratt, M.D., stated yesterday.

Doctor Pratt, who is chairman of the Carmel chapter of the Red Cross, emphasized the need for new blood donors particularly. Unmarried minors between 18 and 21 are welcome provided they have parental permission written on forms available at the chapter office prior to the drawing. Married minors do not require such permission.

The Bloodmobile will be at the chapter house on 8th and Dolores streets, tomorrow (Friday) between 9 a.m. and 1:30 p.m. Luncheon will be served all donors by Red Cross Canteen volunteers, and baby-sitting will be provided at the chapter house.

The first and most essential requisite for a good parent is a true and unselfish love, which looks rather to each child's welfare than to the fulfillment of the parent's own desires and aspirations.

Musicians Wanted

Musicians interested in playing with the Monterey County Symphony Orchestra for the coming season can arrange for auditions by contacting the Symphony Office at Sunset Center, Box 3851, Carmel, or calling 624-4125.

Conductor Jan de Jong announced that the first rehearsal of the orchestra would be held on September 11th at Sunset Auditorium with auditions to be scheduled during the preceding week. "There are openings in all sections," he said, "and we are looking for new members to augment our personnel. Players must be available for weekly Monday evening rehearsals."

The 1967-68 concert season opens on October 23rd with an all-orchestral program that will include compositions by Wagner, Beethoven and Tchaikovsky. Series tickets for the five concerts can still be obtained from the Monterey County Symphony Association.

Junior Polo Team Plays Menlo-Atherton

Anyone driving south past San Jose Beach last Sunday afternoon would have been attracted by the colorful sight of fast horses with red or green anklets being ridden by white helmeted riders in bright red and green jerseys.

A closer look at the riders would have disclosed that they were young and that one on each team was a girl. Playing a fast, clean game the junior polo team of the Rancho Pt. Lobos was defeated 4-2 by the Menlo-Atherton team. Riding for Pt. Lobos were Dan Hudson, Sally Hudson, Michael Collins alternating with Gael Henderson and Derrick Cotchett alternating with Connie Dudley.

Later the senior members of the Point Lobos team which consists of Don Waring alternating with Ray Sumida, C. T. Hill alternating with Dick Collins, John Walworth, and Sue Sally Hale, took over and played the Atherton group which consists for the most part of the Atkinson family.

According to Thomson Hudson, former Monterey County supervisor, who set aside the land for indefinite scenic easement purposes, the polo field will be planted with grass next year. The youngsters, from 12 to 18 years old, started using it four years ago in its ungraded state, weeds and all. They have gradually managed to have the space levelled and marked off. Set in the surrounding foothills, it will be a beautiful addition to the Carmel area green belt.

Distinguished Speaker At Carmel Rotary

At the Carmel Rotary meeting yesterday at La Playa, Dr. Perry E. Rowe, the Medical Director for the Isle of Yap, spoke to the members on his experiences while serving as director on this island. His brother, Jim Rowe, introduced him to the Rotarians.

Next week, Tom Tomkins and Dr. Carol McKinney will present the hospital extension program for the community hospital. Dr. McKinney is president of the Board of Trustees.

Rotary President Tom Brown announced that on October 7 the club will be host for the District Leadership Forum. Rotary International instituted this year, for the first time, this forum to be held during the first four months of the Rotary year.

Walter M. Spear Announces

Walter M. Spear, former associate of William D. Curtis in the Curtis Movie-TV Locations business on the Monterey Peninsula, announces formation of his own organization to carry on this specialized service to the motion picture and television industry.

Curtis and Spear operated the business for the past six years following the retirement of Curtis' father, Guy S. Curtis, who established the business some 40 years ago, and died recently. Guy Curtis was well known in the industry and serviced all the major film studios in their numerous pictures produced on the Peninsula.

Today, thanks to the preservation of such picturesque areas as Pebble Beach, Big Sur and Carmel Valley, the motion picture studios and larger television commercial film producers still frequent the area for its unsurpassed background beauty.

Prior to his association with Curtis, Spear was a television-radio salesman and commercial writer on the East Coast for some years, before moving to Carmel in 1960. Spear says to the best of his knowledge he is one of the two remaining independent persons in California who offers this specialized service to the film industry—the other man being in Sonora where many Westerns are made. Spear hopes to encourage and promote more major film producers to come to the Monterey Peninsula in the future. Spear lives in Carmel with his wife and three children.

"My Dancing White Horses"

Colonel Alois Podhajsky, former director of the Spanish Riding School in Vienna, Austria, will serve as one of the judges of the Pebble Beach Three-Day Event Friday, Saturday and Sunday.

Thursday evening, August 31 at 6:30 Colonel Podhaj-

sky will show films and give a brief talk in the Mural Room at Del Monte Lodge, Pebble Beach. The affair is open to the public without charge. Donations will be accepted for the United States Equestrian Team.

Colonel Podhajsky is the author of "The White Stallions of Vienna," and the autobiographical "My Dancing White Horses," based on the famous Spanish Riding School. Walt Disney produced a movie, "The White Stallions," which portrayed Colonel Podhajsky's life.

Fiesta Street Dance

Marty Artellan who grew up in Carmel Valley and attended Carmel schools will provide the music for the street dance which will cap Saturday's Fiesta de los Amigos events. He was in the old street dances of 18 years ago which Carmel Valley is trying to revive. Carmel people used to come out for these dances and for the parade which will take place at noon led by Dr. Edw. P. Marcucci, one of the old timers. He is right hand man to "El Patron", Sam Brandt, Postmaster of Carmel Valley, who led the original parade and program 18 years ago.

Many of the horses in the Horseshow nearby will be marching in the Fiesta parade which will be bright with color and a big marching band, Spanish costumes, antique cars, children and old timers.

Fiesta booths will be open all day Saturday with all proceeds to benefit Carmel Valley youth activities.

CHRISTIAN SCIENCE RADIO

"A Fresh Look at Highway Safety" is the subject of this Sunday's radio program on the Christian Science series "The Bible Speaks to You." It will be heard at 7:30 a.m. over station KGO and at 8:45 a.m. over station KDON. The program will explain a kind of alignment that can change holiday traffic accident statistics and insure safety.

Lt. Cdr. Thomas Moran and his wife Nancy are recent arrivals to the area. The Morans, who are "delighted to be here," were formerly stationed in Hawaii. Nancy loves gardening and sewing, while her husband pursues his studies at Navy Post Graduate School.

New residents in the Pebble Beach area are Mr. and Mrs. Richard Roll and family. Mr. Roll is an executive with the Telephone company. They are the parents of a little girl, Lori, age 2, and are expecting an October addition to the family. Of interest to them have been the local summer stock productions.

Recent newcomers to the Peninsula include the Mow-

New residents also of Mission Fields Road are the J. M. Catron family, who moved here from Florida where he received his Naval training. Lt. Cdr. is in the undergraduate program in the art division at the Navy Post Graduate School, and also a pilot, flying with the RA5C, Vigilante squadron.

Mrs. Catron formerly taught high school English and French in Richmond, Virginia, her home town. The couple have one son, Michael, age 3 and are expecting a new addition to the family next month.

If you are planning a trip over the Labor Day holiday, be sure you have accommodations at your destination and any overnight stops along the way, by making reservations ahead of time, reminds the California State Automobile Association.

CARMEL COTTAGE \$22,500

If you have been looking for a cute Carmel cottage with a sunny patio for day and a warm fireplace for night, one cozy bedroom and a modern bath, all open-beam redwood ceilings, PLUS a large studio to be creative in, call us quick quickly.

OCEAN VIEW LOT—\$9,750

IN CARMEL HIGHLANDS, and a magnificent ocean view it is, too. At \$9,750 and an ocean view, there has to be a catch, which is that while the price isn't steep (far from it!) the lot definitely is. If you're from Marin County, it may seem like a gentle slope; if you're from Arizona it will seem like a cliff. While it's a difficult site, it's far from an impossible one. Really, it's good value.

4 BEDROOMS—4½ BATHS—HATTON FIELDS

If quality is your prime consideration, you can't do better than this almost new, large home. There's a separate dining room, den, triple garage, laundry, ample closet and storage space, intercom—all that you'd expect in a top-quality home. Price of \$79,500 includes carpeting and drapes.

CARMEL HIGHLANDS OCEAN FRONT LOT

And to make this rarity even better and scarcer, it is one that faces NORTH with a magnificent, NO-GLARE view. Naturally it's expensive, yet as is the case with many expensive, fine things, it is also reasonable for what you're getting.

OCEAN VIEWS FROM CARMEL DUPLEX

In the very heart of Carmel's most sought after area and only 4 minutes walk to the Beach. Live in one and rent the other. 2 bedrooms in each apartment. 22'x24' living rooms with fireplaces. New carpeting in each apartment. Both apartments in excellent condition. Call us to see this unique investment. \$64,000.

A 2-BEDROOM JEWEL ON CARMEL POINT

This almost new house is small, but the quality is tops. It doesn't lack desirable features. It has 2 baths, a SEPARATE DINING ROOM, kitchen with dishwasher, etc., cathedral ceilings, sunny protected patio and delightful easy-care garden. What more can you ask? It's priced at \$55,000, and we doubt you could replace it for any less.

Lines From Lois School Days Ahead!

IN ONE SHORT LOOKING-SESSION, LET US SHOW YOU FOUR OF THE BEST FAMILY HOMES IN THAT FINE SCHOOL AND NEIGHBORHOOD LOCATION BETWEEN THE HIGH SCHOOL AND THE MISSION.

BARN RED TRIMMED IN WHITE

Friendly-looking ranch house style with heavy shake roof, fence-surrounded to protect your little ones, with a split rail fence in front to add to the charm of it all. Meticulously planned and built by present owners with growing family in mind. Hand-selected materials throughout. 3 bedrooms, 2½ baths, with a 12' x 15' workshop to make an ideal fourth bedroom. Pine paneled study for Dad, great family kitchen for Mom. In fact, it's a family home you can really Point To With Pride. Price \$59,500.

LONG, LOW, HUGE ENCLOSED COURTYARD

Four or five bedrooms, 2½ baths, artist's studio which would be a fine playroom also. You'll feel so secluded, and you'll have such a secure feeling for your children when they can play in the big fully enclosed yard. An old, sheltering oak tree is a beautiful feature of the yard. Excellent financing available, and this house is vacant so you could move right in. Price \$47,500.

NEAR CARMEL HIGH SCHOOL

Four bedrooms, 2½ baths, two on a lower floor with its own fireplace and separate entrance. Wonderful for your teen-agers, or a mother-in-law! Great family room for entertaining, too. View deck for the fine Valley outlook. The shake roof, lots of old brick, and pretty but low-maintenance garden offer a friendly look, and the charming interior carries out the feeling. Family priced at \$49,500.

ENGLISH STYLE 1½ STORY

Within easy distance to all schools and shopping, this is the home with the big bedrooms (3) and the very nice 2½ baths. It also has a separate dining room, living room off the traffic pattern with a wonderful big fireplace, all electric kitchen—a lot of house, an interesting house, for only \$47,500, plus a lot of work to develop the garden.

WAIT?

Real Estate is an excellent hedge against inflation. Start building your EQUITY NOW! Come in and let's discuss YOUR requirements.

A three-bedroom, two-bath, FAMILY-ROOM home with a built-in kitchen in an excellent area near both the Junior and Senior High Schools. An excellent investment at \$33,500.

A 'Carmelish' one-bedroom home with a separate rental downstairs just two blocks from the Carmel Plaza. Price is \$26,500.

Perhaps you need an ESTATE for your large family. We have a six-bedroom, seven-bath, attached guest wing with its own living room, home on Carmel Point. Its six lots are worth more than the \$215,000 valuation placed on it by the owner. Its tennis court covers most of one lot.

For the RETIRED Couple or Carmel WEEK-ENDERS, we have five excellent homes:

NUMBER ONE is particularly designed for an artist member. The owners actually thought of every extra living comfort. Minimum maintenance home with an outstanding view. Its two-bedroom, two-bath family room-kitchen arrangement gives you ample space for leisurely living. Second level studio. It is \$47,000.

NUMBER TWO is a true weekend on Carmel Point but is also designed to be a full-time two-bedroom, two-bath, separate dining room home. The use of fence, hedges and glass provide seclusion. It is \$55,000.

NUMBER THREE is also on the "Point." The one owner has kept his two-bedroom, two-bath, spacious living room home in top-notch condition. Realistically priced at \$39,500, it is a fine investment.

NUMBER FOUR can be called an English Story-Book home. If you want the deck of your two-bedroom two-bath, completely built-in kitchen home surrounded by trees and want a short walk to town, this is your home.

NUMBER FIVE is a Pebble Beach two-bedroom, two-bath, separate dining room, small studio home with a truly spectacular view. The owner-designer, whose closet and storage space was severely limited during her long years as a Service Wife, took full advantage of the opportunity to correct this deficiency. It is cleverly accomplished—many closets and cabinets are hidden from view. A fine value in its location at \$59,500.

... the audience or the fashion models.

Moiria Courvoisier appeared in a black Grecian gown, with long full skirt and sleeves, decorated with fascinating embroidery on the belt and low neckline. Mrs. Courvoisier, born in Carmel, is the painter who did the murals at Del Monte Lodge in Pebble Beach and at the old Del Monte Hotel, now the Navy Postgraduate School.

Her brother, Kevin Wallace, staff writer on *The New Yorker* magazine, here on a short visit to his home town of Carmel, was at her side. Kevin did his first piece for the Pine Cone (at the age of eight) on Colonel Charles Lindbergh's return to San Francisco after flying the Atlantic.

Mrs. Alma Walker of Pebble Beach looked mysterious in a green feather boa and matching brimmed hat designed for her by Mr. John of New York.

A most attractive hot orange coat and dress was worn by Mrs. John Julian of Pebble Beach. The Julians just returned from a trip to Portugal and Spain where the coat kept her from getting lost in crowds, she said.

Mr. James Glaser of Pebble Beach was seen talking to Colonel and Mrs. Alois Podhajsky. Colonel Podhajsky, former director of the Spanish Riding School near Vienna, Austria, will serve as one of the judges of the Pebble Beach Equestrian Trials this weekend. Also in the group were Mrs. Alfred C. Castle of Pebble Beach and Mrs. Chester Shephard of New York.

A portrait in blue, Mrs. Charles Trumbly of the Carmel Music Society was sitting in a vantage spot to watch the fashion show which included Pam Hatley of Pebble Beach, Mr. and Mrs. A. Riley Wilson of Carmel, and Robert Rutledge Bray II, also of Carmel. Behind her, looking devoted, was Armand Pepe, one of her many "adopted sons."

Lucy Bronson of San Francisco, wearing a glorious smile and a champagne colored mink was talking to Les Dewar who seemed to be everywhere in his smart looking blue jacket.

A long coral stole worn by Mrs. William Ballard of Carmel, who was talking to Mr. Douglas Leach, brightened the scene as did the pink red coat worn by Mrs. Henry Jones of Pebble Beach, who

was chatting with Mr. John Boles.

Ruth Buol of Carmel was wearing a tent dress in psychedelic patterns of shocking pink, lime green and purple with one of the new feather boas in royal blue.

Mrs. William Arnold, president of the Monterey Peninsula Museum of Art, was of course everywhere as were Mrs. Rutledge (Jackie) Bray, Mr. and Mrs. Roderick Dewar, Lisa Tescher and other members of her committee.

Mr. and Mrs. John Bissell were there. Mr. Bissell is the great-great-grandson of the man who invented the carpet sweeper.

The popular Robert Stantons were on hand, as were Marilyn and "Speed" Brown. Mr. Brown is curator of the museum.

Artists Eugene Baker and his wife who paints under the name Ann Ruth are involved with the amateur show at Carmel Valley Fiesta this weekend. He will serve as judge, and she will help with the hanging. They were talking with Mrs. Robert Sherry, whose husband owns KIDD.

A word should be said for the delicious hors d'oeuvres prepared by cateress Margaret Omoto and served by Japanese girls in exquisite kimonos. The crab puffs, stuffed mushrooms, pickled shrimp, and rumaki, (water chestnuts wrapped in bacon) went exceptionally well with the champagne.

The speed that thrills can be the speed that kills, warns the National Automobile Club. Slow down and be safe this Labor Day Weekend.

Police Reports

Much of the Police action which took place this week centered around the Carmel City Park.

A man known as Juan de la Cruz, 32, and his companion, Bonnie Ann Smith, of Monterey, along with their 15-day old male baby, were taken to the Carmel Police Station for driving their truck around the lawn of the City Park.

Once at the station the driver, Juan, asked the officers if he could get a blanket from the truck to wrap the baby. As the blanket was being brought in to the station a leather pouch dropped to the floor. It contained what the officers believed to be marijuana. Juan was booked for violation of Section 11530 of the Health and Safety Code.

The same day, a fight occurred at the park involving Joe J. Kavanagh. The man he was fighting was not known but later the Carmel Police were contacted by a Pacific Grove mother who said she had taken her son to the hospital because of a cut in his abdomen he said he received in the Carmel Park. The wound was superficial. The youngster said he was standing, watching the fight when a juvenile rushed past him, at which time, according to the police, it was possible that he received the cut.

Also during the week, an intoxicated pedestrian was encouraged to "go home" after trying to pick fights with hippies at the park.
